EPIperformance.com

Greetings,

Thank you for your interest in becoming an authorized dealer for EPI Performance and Seizmik. As the leading provider of high-performance clutch and driveline components, mirrors, windshields and enclosures in the industry, we are committed to maintaining the integrity of our dealer network. To ensure we select the right partners, we do have specific criteria that must be met.

Our minimum dealer requirements include:

- A retail establishment primarily focused on the powersports industry.
- A physical storefront for retail sales and/or a service shop for parts sales and repair services.
- Posted business hours.

In order to process your application efficiently, please include the following documents:

- A recent invoice from one or more powersport distributors.
- Several photos of your dealership, including both exterior and interior shots that clearly depict your business. Please ensure photos show your storefront and signage.
- A copy of your business license.
- A business phone directory listing.
- Completed State Tax Resale Form(s) for your location(s). If you operate in multiple states, we will need a separate form for each.

We appreciate your interest in partnering with EPI Performance/Seizmik and look forward to reviewing your completed application. Should you have any questions or need assistance, please feel free to contact us at 218-829-6036.

Best regards,
EPI Performance
